

Smartphone – Screen Time Tool:

You can find our website to track the Smartphone screen time at:

<https://isetud.pythonanywhere.com/>

Install your Account:

1. Enter your Login data

ISE Increasing Well-Being with Data Analytics

The image shows a login form titled "Log In" with the following elements:

- Username***: A text input field. A red box labeled "Your ID" has an arrow pointing to this field.
- Password***: A text input field. A red box labeled "Password: wellbeing_2023" has an arrow pointing to this field.
- Login**: A button.
- Forgot your Password**: A link labeled [Change Password](#).

Red boxes and arrows highlight the input fields for "Your ID" and "Password: wellbeing_2023".

2. Set your own Password and create a password recovery code:

Set Password

Old password*

New password*

- Your password can't be too similar to your other personal information.
- Your password must contain at least 8 characters.
- Your password can't be a commonly used password.
- Your password can't be entirely numeric.

New password confirmation*

Create Security Code

If you forget your password, you will need this code to reset it

Question
